Subject: HEADS UP --USCG request for a CPN
Date: Saturday, March 30, 2019 3:45:26 PM

All – In discussing the ITC Response transition plan from EPA-lead to USCG-lead, USCG has indicated that they will submit a request for a CPN. They have been informed that the CPN will take a few days to process and that they should not wait until the day before the transition to submit the request. This request will likely be submitted early next week.

Wanted to give you a heads up.
